**CASE NO.:** 30-2012-614932-CU-FR-CJC

**NOTICE OF APPEAL**

**DEPT:** C32

**JUDGE:** Comm. Carmen Luege

Pursuant to Code of Civil Procedure section 904.1 *et seq*, Plaintiff Fernando Martinez hereby appeals from the lower court's disgraceful order dated November 30, 2016, as incorporated into a reported judgment dated February 21, 2017, and as such, technically appeals from that judgment. The ruling's succubustic adoption of the defense position, and resulting validation of the defendant's pseudohermaphroditic misconduct, prompt one to entertain reverse peristalsis unto its four corners.

Evidence of the docket entry reflecting the judgment is attached hereto as Exhibit A.

Plaintiff never actually received a copy of a signed judgment, though a stipulated judgment was prepared for the commission court's signature, as it apparently cynically attempted to suppress notice of the judgment in order to thwart review.
